**Instructions for Amendment to Application** (Revised 10/2016)

**This form is to be used if this if you have a pending, previously submitted application for admission to the Tennessee bar, regardless of type of application, and you have supplemental, new or different information to report. A change to your personal address and phone number are done in Synergy (<https://synergy.tnble.com>) in your system profile (My Profile Page). To change an email address only, please send an email to [BLE.administrator@tncourts.gov](mailto:BLE.administrator@tncourts.gov) requesting the change.**

The Tennessee Board of Law Examiners (TNBLE) uses EMAIL to contact you. It is your responsibility to maintain your current email address other contact information in your personal profile or you will miss important information from the TNBLE.

For changes to any of the answers you provided in the NCBE Background Investigation Application or the Tennessee Supplemental Information, you must complete this Amendment Form as well as any amendment form that might be required by the NCBE if your investigation is pending. Examples of changes include changes in employment, criminal matters, traffic tickets, etc. The answers to all questions must be completed. Failure to be completely candid may result in denial of eligibility to sit for the examination and/or certification of eligibility for licensing. If there is any doubt about how to answer a question, you should answer to the best of your ability and explain the concern in the space provided.

When providing additional information to supplement answers, give information in the same manner as called for in the original NCBE or TN Supplemental application. Upload this form and any attachments by saving the document as a .pdf and clicking the paperclip next to “Applicant Additional Documentation as Requested” under the “Related Items” tab for your most recent application. If you are submitting this form with a Re-Examination application, you must submit the Re-Examination application first so that the amendment is linked to your most recent application.

**Applicants to the Bar of Tennessee are responsible for ensuring that all documents are submitted to the TNBLE in a timely manner. Applicants may be notified by the Board that there is a deficiency in the file; however, such notification is a courtesy. Failure of the Board to notify an applicant of a deficiency does not entitle the Applicant to an extension of time to submit the required documentation.**
