GENERAL INSTRUCTION MANUAL – July 30 & 31, 2024

## PURPOSE OF THE GENERAL INSTRUCTION MANUAL FOR THE TENNESSEE BAR EXAMINATION

The information in this Manual has been prepared by the Tennessee Board of Law Examiners for bar exam applicants. The purpose of this Manual is to provide information regarding testing policies and procedures, as well as what to expect on exam days. You will be required to sign an Honor Pledge at the end of the exam attesting to the fact that you did not violate these procedures.

### **YOU MUST READ THE MANUAL IN ITS ENTIRETY.**

You are required to submit a signed Acknowledgment Form, a sample Acknowledgment Form of which is on page 16 and which includes a link to a .pdf fillable form.

**You must complete the Acknowledgment Form and upload the signed .pdf to your Synergy Application for the July 2024 Examination ON OR BEFORE THE FINAL DEADLINE for Applications. Failure to upload the Acknowledgment Form will result in a determination of the Board that you are not eligible to sit for the exam.**

Failure to follow the Policies and Procedures of the Board during the exam or while at the exam location in a Secure Area will result in expulsion from the test and nullification of exam scores. You may be required to appear before the Board, as well.

## A. PRE-EXAM INFORMATION AND DEADLINES

### 1. TESTING LOCATIONS

In July, the examination is given in multiple locations:

- **Knoxville, TN:** The Knoxville Convention Center
- **Memphis, TN:** The Great Hall and Conference Center – Germantown
- **Nashville, TN:** The Nashville Fairgrounds Exposition Center

Note that examinees who have been approved to test with more than 50% extra time (75%, 100%), testing will be in Nashville but not at The Fairgrounds. The location will be provided to examinees with the approval of accommodations or shortly thereafter.

**Examinees are not permitted in the examination locations beginning on Monday of exam week (Monday, July 29, 2024). If you want to see the premises, you must do so by the Sunday prior to the exam.**

### 2. CONTACT INFORMATION VERIFICATION

The Board and Examsoft, the laptop testing software contractor, communicate with you exclusively by email, which includes providing important information and updates from the Board regarding the laptop testing registration and software download information, examination schedules, updates, seat assignments and results, and instructions for licensing and admission. You are under a continuing obligation to maintain and update the following information in your Synergy account:

- **Your full name** – Please verify that this is correct and uses proper punctuation and capitalization. If you have included “Mr.” or “Ms.” or similar as a suffix or elsewhere in your name, please delete it. A suffix is Jr., Sr., II, III, etc. Do not add any prefixes and use only a suffix such as Jr., III, that is part of your legal name.
- **Your mailing address** – Please be sure your current mailing address is in your Synergy account.
- **Your email address** - Many school email accounts i.e., myname@lawschool.edu, expire after you graduate. Keep your email address current or you will miss critical information sent by the Board.

Please accept “@tncourts.gov” and [ble.administrator@tncourts.gov](mailto:ble.administrator@tncourts.gov) as trusted senders in your email program.

### 3. PUBLIC HEALTH AND SAFETY PROTOCOLS

The Tennessee Board of Law Examiners (the “Board”) is committed to a safe administration of the exam for all parties involved in taking and administering the exam. The ability to administer the exam consistent with public health guidelines will only be possible with the cooperation of all applicants. You will be required to acknowledge the Public Health and Safety Protocols on the attached Acknowledgment Form. You are strongly encouraged to be fully vaccinated, in the interest of public health and safety. If you wear a mask, it is subject to inspection. Vented masks, gaiters and face shields are not permitted.

**You are expected to stay home if you are sick** with any illness, including but not limited to the flu, stomach virus, Covid-19, RSV, bronchitis, etc., or if you test positive for the flu, Covid-19, etc., 7 days prior to the examination through the end of the examination.

### 4. LAPTOP SOFTWARE REGISTRATION AND REMINDERS

- You will receive a notice from the Board and from ExamSoft with registration dates for Laptop Testing. Please check your email for a message from ExamSoft with the registration links. In addition to timely registration for laptop testing, **you will be required to complete a Mock Exam** to be permitted to take the examination by laptop. Registration dates are usually the 3<sup>rd</sup> or 4<sup>th</sup> week of June. Check the Board’s

website and your “Letters” in Synergy in mid-January for the exact dates.

- Please note that the **bar exam testing software works differently** from the software used during law school, even if provided by the same software provider. You must register and download the software each time you take the exam. **It is highly recommended that you remove any other versions of Examplify from your computer for best exam day performance.**
- Additional information on Laptop Testing can be found on the ExamSoft website and at <https://ei.examsoft.com/GKWeb/login/tncbar>. Minimum system requirements can be found here: <https://examsoft.com/resources/examplify-minimum-system-requirements/#bar>.

## 5. ACKNOWLEDGMENT FORM

At the end of this Manual you will find a *sample* Acknowledgment Form that will include a [link](#) for a fillable Acknowledgment Form. You must complete the fillable Acknowledgment Form, affix your signature (typed or digital), and upload the completed and signed form to your Synergy Application under the item titled, “Acknowledgment: TN General Instruction Manual,” **on or before the Final Deadline for filing applications for examination (May 20). If you do not upload the completed and signed Acknowledgment Form by the final deadline, you will not be permitted to sit for the examination. The only recourse if not permitted to sit for the examination is to apply for a subsequent examination.**

## 6. PARKING AND HOTEL ACCOMMODATIONS

Ample parking is available at test locations. Some locations charge a fee for parking and there are usually auxiliary lots nearby at lower cost. The Board of Law Examiners does not pay for your parking. Several hotels are within walking distance or a short drive from testing locations. The Board of Law Examiners does not arrange for room blocks or special rates at hotels.

## 7. LUNCH

You will be on your own for lunch. There are food vendors near the testing venues. No one is allowed to remain in the exam room during lunch. Proctors will be preparing the room for the afternoon session. **On Tuesday,<sup>33</sup> laptops must remain in the exam room during the lunch break.** Note that some venues do not permit you to bring outside food into the exam location.

## 8. SEATING ASSIGNMENTS AND APPLICANT ID NUMBERS

You will receive an email the week prior to the exam with your testing location, seat assignment, and unique Applicant ID number. Your Applicant ID number is a 5-digit examinee number. You **MUST** put this number on all of your papers, including test booklets, or you will not receive an exam grade. Do not use your name on or in your answers. The Bar Exam is processed and scored entirely by Applicant ID numbers. ***For the July 2024 exam, the Applicant ID number begins with 53.*** Do not bring the seat assignment with you to the exam. Your seat number, Applicant ID number and NCBE will be at your seat and on your Exam Badge (*see* B-3, below). **You will need to know the last four digits of your Social Security Number (if you have one) for the MBE Scantron Sheet.**

## 9. TENNESSEE BAR EXAM FAQs

Tennessee bar exam FAQs can be found on the Board of Law Examiners website at [https://bwp.tnble.org/?page\\_id=406](https://bwp.tnble.org/?page_id=406)

# B. EXAM DAY INFORMATION

## 1. REGISTRATION

<sup>33</sup> Tuesday and Friday for those with double-time testing accommodations.

You will register before taking your seat each morning. To register, you must present your government ID, sign the registration sheet as directed by the registrar, and, on the first day, receive your badge. You will be directed to a table to place small items, such as cell phones and keys, in a brown bag and leave at the table with the proctor prior to taking your seat each morning.<sup>4</sup> Those who may need menstrual products during the examination may place the menstrual products in a brown bag, write their Applicant ID number on the bag, take the bag into the exam room, and leave the bag, which will be inspected, with a proctor at the restroom table. Otherwise, brown bags must be left with the proctor at the table where you obtained the brown bag.

**CLEAR BAG POLICY: No bags, handbags, back packs, suitcases or other similar items are permitted in the Secure Area.** If you bring your lunch, it must be in a clear plastic zip-top or PVC bag. Required and Permitted Items as noted in the Security Policy in Section C, Paragraphs 2 and 3, may be placed in a clear plastic zip-top bag, no larger than gallon size, 12 inches x 10 inches. Your laptop computer which you will use on Tuesday,<sup>5</sup> cannot be in a case or have a removable plastic shell or cover. You will not be permitted entry into the secure area if you bring a bag that does not meet the gallon-size or smaller, clear, zip-top bag requirement.

You may leave heavy coats in the area designated for brown bags. Once you register, you are not permitted to leave the secure area, as defined below. Do not leave the building.

You may retrieve items from brown bags at the registration table only during lunch. When returning from lunch, return any items removed from the registration table prior to having your badge checked and returning to your seat.

You may only enter or exit the exam room using the doors indicated by the proctors or staff, absent an emergency, in which case, you will follow proctor instructions.

## 2. ASSIGNED SEATING

You must sit in the seat marked with your pre-assigned seat number. Sitting in a seat not assigned to you is a violation of the Security Policy. You will be dismissed from the exam and your exam will not be graded. Violations will be reported to the Board, who may conduct a hearing into your character and fitness, and/or take other actions in addition to your disqualification from the exam. If you do not remember your seat number, a registrar or proctor can provide it to you.

## 3. LEAVING YOUR ASSIGNED SEAT DURING THE EXAM

You must remain seated from the time instructions begin until the exam begins. The Chief Proctor will provide full instructions prior to each exam session regarding when you may leave your seat. If you need to leave your seat for a restroom break during testing, follow this procedure:

- Signs will be used to indicate when you may leave your seat for a restroom break, as explained by the Chief Proctor.
- Take your printed test materials (all question books, answer books or scantron sheets, laptop instructions), to the table designated by the Chief Proctor during instructions for restroom sign-out. Your Applicant ID Number and Seat Number (both on your ID badge) must be on your materials. *If you left menstrual products at the restroom table, you may retrieve the bag from the proctor at the restroom table when signing out.*
- Place your test materials *face down* on the proctor table and sign out as instructed by the Proctor.
- Use only the restrooms designated by the Chief Proctor during instructions. Only the designated restrooms are within the Secure Area. When you return, the proctor will verify your Applicant ID number on your ID badge before returning your test materials.
- You may not leave the Secure Area for any reason during the examination. *Leaving the secure area*

---

<sup>4</sup> See C. Security Policy, paragraph 7, below, as you are not permitted to have anything in your pockets.

<sup>5</sup> Tuesday and Friday for up to 100% extra time.

will disqualify you from the exam, nullify your scores, and subject you to review by the Board.

- Failure to bring your materials to the designated restroom table, failure to sign out or in, and failure to permit the proctor to verify that you have retrieved your materials is a violation of the Code of Conduct and will disqualify you from the exam, nullify your scores, and subject you to review by the Board.

#### 4. EXAM BADGE

You will be given a picture ID badge at registration the first day of the exam. The badge will include your name, seat number, Applicant ID number, and NCBE number. Lanyards and badge holders will be at your seat. **You are required to go directly to your assigned seat, put the ID badge in the holder, attach the badge holder to the lanyard, if not already done, and place the lanyard around your neck.** If you are found in the exam room beyond the registration desk prior to instructions without the ID badge around your neck, you will be required to go back through registration and may be ejected from the exam if, in the discretion of the proctor, you have previously been returned to registration and are ignoring instructions to wear the ID badge.

You are required to wear the ID badge while you are in the exam room, until you are dismissed for the day. Please carefully read all of the information provided herein so that you do not unknowingly violate security procedures.

- You may not write anything on the ID badge or put anything other than the ID badge in the lanyard pocket. Writing on the ID badge or putting other items in the lanyard will result in expulsion from the exam and nullification of your exam scores.
- You must take the badge with you or wear it during lunch and show the badge to the proctor to re-enter the secure area.
- **At the end of testing each day**, you will be instructed to place your lanyard, with the badge in the holder, at your seat. **Leaving the secure area with the badge at the end of the day is not permitted. Do not take the badge home overnight or you will be denied entry the next day.**
- You will repeat the registration process each morning of testing, showing your government photo ID and signing in. After registration, go directly to your seat and place the lanyard with the badge around your neck.
- When the examination is completed (i.e., you won't be returning the following day), the Chief Proctor will provide instructions regarding the collection of the badges and disposal of lanyards.

If you are found in the exam room after instructions begin without your ID badge and lanyard around your neck, or if you took the ID badge out of the secure area at the end of the previous day, **you will be ejected from the exam, not permitted to reenter the exam room, and you will not receive an exam score. This is a serious violation of the security policy.** Violations are reported to the Board and the Board may conduct a hearing regarding your character and fitness, and/or take other actions in addition to your disqualification from the exam.

#### 5. LAPTOP TESTING

- If you have properly registered to use your laptop and downloaded Exemplify, you will use it on Tuesday only.<sup>6</sup>
- Prior to entering the secure area, be sure to:
  - **disable any anti-virus software** you may have installed;
  - **close all programs that might be running in the background;**
  - **remove the laptop from any case or protective shell;** and
  - remove all external devices, including USBs or Bluetooth receivers as any removable device found

---

<sup>6</sup> Tuesday and Friday for up to 100% extra time.

during the exam will be confiscated. See **SECURITY POLICY**, below.

- You cannot use a wired or wireless mouse.
- Your keyboard must be an integral part of your laptop; if it is a detachable keyboard, the keyboard must remain docked (attached) while your laptop is in the Secure Area. If you separate the keyboard, **you will be ejected from the exam and you will not receive an exam score.** Violations are reported to the Board and the Board may conduct a hearing regarding your character and fitness, and/or take other actions in addition to your disqualification from the exam.
- You must bring your power cord but cannot use a block-type plug in as it takes too much space; rather, add an extension to the block adapter so that the block is inline. See **Appendix 1** for pictures. You cannot complete the exam on battery power only.
- Once you enter the **Secure Area** and open your laptop, you must launch Exemplify immediately—you cannot use your laptop to read notes, check e-mail, or browse the internet once you enter the Secure Area. **Once in the Secure Area, accessing anything on your laptop other than Exemplify is a violation of the Honor Pledge.**
- Instructions for launching Exemplify will be distributed to you at the exam site. **You must read and follow these instructions.** Passwords will be provided at the beginning of each testing session.
- The laptop testing software may not work the same way your software for law school worked. Each answer is typed in a different tab so that each answer is printed separately for the graders. See Paragraph B-6, Incorrectly Formatted Answers.
- When you complete the morning exam session on Tuesday,<sup>7</sup> **exit to the launch screen** but do not close your laptop or exit ExamSoft. **You must leave your laptop at your seat in the exam room during the lunch break. You may connect to any available WiFi to upload your answers.** Staff will be present in the exam room during the break to monitor laptops.
- When you complete the afternoon exam session, **exit to the launch screen** but do not exit ExamSoft or close your laptop until a proctor, ExamSoft technician or the Chief Proctor directs you to do so.
- If you experience a technical difficulty and cannot use your laptop, you will be given materials to handwrite your answers.
- The **DEADLINE** for uploading essay answers **is 9:00 p.m. Central Time, Wednesday, 28, 2024.**<sup>8</sup> Answers uploaded after the deadline will not be graded. Although all locations have internet service, such service might not be sufficient for upload of all answers at the same time. It is strongly recommended that you check to be sure your answers have been uploaded as soon as possible upon reaching your final destination on Tuesday night.

## 6. INCORRECTLY FORMATTED ANSWERS

It is critical that you follow the instructions given by the Chief Proctor, the information provided in this Manual, and the instructions provided by ExamSoft. **If you fail to follow the instructions and your answers are not in the correct space, you will not be given additional time to correct your error. The Board does not search for your answers or verify that you answered the correct question in the answer tab or answer booklet.** If an answer is not in the correct answer tab or the correctly numbered answer booklet, it will be graded as the answer to the question labeled on the tab or booklet. It is your responsibility to type your answers in the correct answer tab or question booklet. Examples include but are not limited to:

- typing an answer in the wrong answer tab in Exemplify, including writing answers to both MPT questions or all MEE answers in the same answer tab, or deleting, adding, editing or renumbering

---

<sup>7</sup> Tuesday and Friday for up to 100% extra time

<sup>8</sup> Deadline for those up to 100% extra time testing accommodations for the MEEs is the same as for all examinees on Wednesday; the deadline for the MPTs is Friday, August 2, 2024, at 6:00 p.m. Central time.

- the preloaded laptop software dividers (for laptop users); and/or
- writing multiple answers in one answer booklet or incorrectly numbering an answer booklet (for handwriters); and/or
- marking your MBE answers in your question booklet and not transferring the answer to the Scantron sheet;<sup>9</sup> and/or
- marking your MBE choice on the wrong line of your Scantron sheet and not correcting it, i.e., the numbering is off for the balance of the exam.

Once time is called, you must stop working on your answers. No additional time will be awarded for failing to follow instructions. If an MPT or MEE answer does not match the question or is blank, you will receive a zero for that question. For the MBE, your answers will be graded as marked on the Scantron sheet.

## 7. MARKING IN TEST BOOKS

Do not write anything on your test booklets, laptop instructions, or passwords, exam answer books, tissues, or any other surface before the exam begins other than as directed by the Chief Proctor. You will be dismissed from the exam and you will not receive an exam score if you fail to follow this instruction. Violations will be reported to the Board, who may conduct a hearing into your character and fitness, and/or take other actions in addition to your disqualification from the exam.

After testing begins, you may underline, mark, diagram, write, and make notes on all question books, but such markings will not be graded. DO NOT remove any pages from any of the test materials. This is a breach of exam testing protocol and will result in you being dismissed from the exam. You will not receive an exam score and may be required to appear before the Board.

## 8. SCRATCH PAPER

Scratch paper is not permitted for any testing session. Blank space, including the inside covers, is included in each test booklet. No additional paper will be provided.

## 9. PROCTOR AND NCBE INSTRUCTIONS

The Chief Proctor will give verbal instructions before the start of each session. You must remain seated and attentive as there is information beyond the information included in this manual that you must follow. Further, there are instructions that you are required to read before beginning each testing session. You must follow the written instructions on the MPT, MEE, and MBE books, as well as proctor instructions. Failure to follow verbal instructions, the instructions provided with the MPT, MEE, and MBE books, and the requirements included in this Manual will disqualify you from the exam and nullify your scores.

**All examinees are expected to follow all Proctor Instructions and comply with Proctor requests. If a Proctor finds an item in your possession to be non-conforming, inappropriate, or distracting, you must follow Proctor instructions regarding the item.**

## 10. EXAM MATERIAL SECURITY

Before examinees are dismissed from a testing session, all test materials, including question books and answer booklets, must be counted and reconciled to the distribution charts. Therefore, when time is called at the end of a testing session, you must remain seated and refrain from talking until proctors and staff account for the test materials. Please consider this as you make plans for meeting any responsibilities you may have at the end of these testing sessions. As always, your cooperation is greatly appreciated.

## 11. STARTING, BUT NOT COMPLETING, THE BAR EXAMINATION

If you do not register for the first morning session of the examination, you will not be allowed to enter subsequent exam sessions. Likewise, if you do not return for any section of the exam, you will not be

## 12. ATTIRE AND GENERAL ADVISORY

Dress in layers to adjust to the temperature in the exam room. Be prepared to be flexible. HATS, HOODS, HOODIES, scarves, head coverings of any kind,<sup>10</sup> or anything with an attached hood are not allowed in the testing room. # C. SECURITY POLICY AND CODE OF CONDUCT

## 1. SECURE AREA

Each exam location has a Secure Area. If the exam is the only event in the building, only examinees, bar exam proctors, BLE staff members, and building personnel will be allowed in the building and the entire building is the secure area. For locations where other events may be scheduled in the building, the Secure Area includes the registration tables, exam room, restrooms, and any hallway area to, from, or around the registration tables and restrooms. The Chief Proctor will announce the "secure area" in the verbal instructions at the start of the exam.

**All exam location secure areas are inaccessible beginning on the Monday before the examination** (see A.1, above). You may not enter the room until the room opens for testing each morning and each afternoon; you must leave the secure area during the lunch break and at the end of testing when dismissed.

If you leave the Secure Area during a testing session for any reason, including using a restroom not designated for use by examinees, you cannot re-enter the Secure Area during that testing session or any subsequent testing session, you will be dismissed from the exam and your scores will be nullified. Do not leave the Secure Area during any testing session for any reason, other than during an emergency, and then only as directed by the Chief Proctor. Entering cordoned-off areas of the building in which the exam is being administered may result in dismissal from the exam. The Board and examinees do not have access to all areas of the building(s) not used for testing.

## H: TENNESSEE LAW COURSE

The TLC is a 7 ½ hour online course on Tennessee Law that must be completed to be eligible for licensing and admission in Tennessee. Approximately 2 weeks after the bar examination, you will receive a registration application for the Tennessee Law Course (TLC) in your Synergy application menu. You may register for the TLC once the application is available. After you register, you will receive an email with a link to the TLC.

## I: GRADING AND GRADE RELEASE

Upon completion of the July 2024 bar examination in Tennessee, you will earn a Uniform Bar Examination (UBE) score that may be accepted for admission in other jurisdictions. For your score to be accepted for admission in Tennessee, you must score at least 270 out of 400. Answers to the MPT and MEE questions are graded on, among other things, identification of issues, application of fundamental legal principles, organization of your answer, responsiveness to the call of the question, and cogency of the arguments put forth. Written components are separated into 6 levels with 1 the lowest and 6 the highest, and then scaled to the MBE to achieve a total scaled score, with the scaled score broken down as follows: 20% MPT, 30% MEE, 50% MBE. For more information on scaled scoring, please see this December 2014 article from [The Bar Examiner](#), a publication of the NCBE. The Tennessee Board of Law Examiners does not regrade MPT or MEE answers. If you are not successful on the examination, you will be notified of the process to receive copies of your answers as provided in Board Policy P-12.11(a).

**Your only recourse in the event of an unsuccessful examination is re-examination.**

GRADE RELEASE: July 2024 bar exam results are scheduled to be released on **Friday, October 11, 2024, by 2:00 p.m. CT.** Please do not CALL OR EMAIL the Board to ask if results will be released before this date or when results will be posted on grade release day. Although never anticipated, if the date grades will be released changes, you will be notified by email and notice will be posted on the Board website at [www.tnble.org](http://www.tnble.org). Your July 2024 Bar Exam results will be delivered as follows:

- By e-mail to you. It is important to [keep your e-mail address updated](#) in Synergy. Login and navigate to “My Profile.” If you are using a school email address (you@lawschool.edu), consider changing your email address as law schools may delete your account after you graduate.
- **On our website.** We will post a list of the names of successful examinees on the Board’s website at [https://bwp.tnble.org/?page\\_id=298](https://bwp.tnble.org/?page_id=298).

## J: CHARACTER AND FITNESS DETERMINATION

Until your application expires, you are approved for licensing, you withdraw your application, or you are denied admission, you are required to keep the Board informed of any changes in the information you have provided to the TBLE. If your answers to any of the questions in the NCBE background investigation application or the Synergy application change, you must submit an amendment to the TNBLE. The Board will not decide whether you meet the character and fitness standard of Tenn. Sup. Ct. R. 7, Sec. 6.01, until you have achieved a UBE score of at least 270. If the Board finds you meet the character and fitness standard and you have completed the requirements for eligibility, your application will be approved for licensing. Otherwise, you will receive a letter from the Board with instructions and/or a show cause order. The communication from the Board will include a response deadline. Show Cause documents must comply with the requirements of Article XIII of Rule 7.

## K: SHOW CAUSE HEARINGS

If you petition the Board for waiver where permitted to do so under Rule 7, or petition for relief from a Board decision, and the petition is set for hearing, or you are issued a Show Cause Order, you will have to appear in person before the Board. Hearings are held twice a year, in June and December, at the office of the TBLE in Nashville, TN. Tennessee Supreme Court Rule 7, Article XIII governs hearings before the BLE. You may be represented by counsel, although it is not required. You have the burden of proof, regardless of whether you appear on a petition to the Board or on an Order to Show Cause issued by the Board.

Hearings are set on a morning or afternoon docket. There are up to 10 hearings set for each docket. Hearings before the BLE are under oath and are recorded by a court reporter. The hearing is before at least three members of the Board but usually all five members are in attendance. When possible, the Board announces its decision at the conclusion of the hearing. However, not all matters are decided the day of the hearing and may require post-hearing briefs or follow-up. As a general rule, the Board does not order transcripts of hearings once they are concluded but parties may order a transcript and provide a copy for the record to the BLE.

## L: ADDITIONAL LICENSING REQUIREMENTS

You are not eligible for admission to the Tennessee Bar until you satisfy all requirements set out in Rules 6 and 7 of the Tennessee Supreme Court Rules. Being approved to sit for the Tennessee Bar Examination does not mean that your character and fitness investigation is complete. You may pass the bar exam but not be eligible for licensing, pending completion of all steps in the licensing and admission process. In addition to achieving a score of at least 270 on the Uniform Bar Exam, requirements for licensing also include:

- Approval of the Character and Fitness requirements in Rule 7, §§ 6.01 and 6.03
- Passing the Multistate Professional Responsibility Examination (MPRE) as stated in Rule 7, §4.07 and Board Policy P-4.07; and
- Completion of the Tennessee Law Course as provided in Rule 7, § 1.07.

All of these requirements must be met prior to licensing. *See*: Tenn. Sup. Ct. Rules 6 and 7, and the [Policies and Procedures of the Board](#) on the TBLE website.

Once you have met all of the requirements to be eligible for licensing and admission, you must complete the following before you can practice law in Tennessee:

- Complete new attorney registration with the Tennessee Board of Professional Responsibility; and
- Take the oath of admission as required by Tennessee Supreme Court Rule 6.

If you do not satisfy *all* licensing and admission requirements within 2 years of the date you are notified by the Board that you earned a passing UBE score, you must submit an updated Character and Fitness Investigation application and, if required, appear for an in-person interview. **Scores are valid for licensing and admission for 3 years from the date grades are released.** See Tenn. Sup. Ct. R. 7, Section 4.07. Your license will be issued after you have completed attorney registration and been administered the Oath of Admission. For more information, please see [https://www.tnble.org/?page\\_id=236](https://www.tnble.org/?page_id=236).

## M: EXPIRATION OF APPLICATION

Your application for admission by examination or re-examination expires and closes upon the earlier of admission and issuance of a license, voluntary withdrawal of the application, denial of a license under Rule 7, Section 9.05, 30 days after entry of an order denying the application on character and fitness grounds, expiration of the examination score, or three years after the last submitted application for examination or re-examination. See Rule 7, Section 3.04. If your application expires and closes and you wish to seek admission by examination, you must reapply as a first-time examination applicant and re-submit all documentation.
